TS2

- Read two books on the same **topic** (or that have the same **characters**). Review the first few pages or the **introduction** to the book. **Compare** what the **authors** did. What was **similar**? **Different**? Why do you think they did this?
- **Compare** the **illustrations** in these two books. What do you notice that is the **same**? **Different**? Make **connections** to the **pictures** that help you understand the information.
